## Look!

*Kramer's Best Antique Improver*, applied with fine steel wool, was used to clean the years of dirt and grime from the edge of this cupboard door.

(Be sure to read the Book of Instructions for complete information about use of Kramer's Best products.)

**...and reconditions the finish.**

**As it cleans...**

***Antique  
Improver  
restores  
natural  
color and  
beauty  
to dry,  
lifeless  
wood.***

**It makes  
wood  
wonderful!**

**It's the  
natural way  
for wood!**

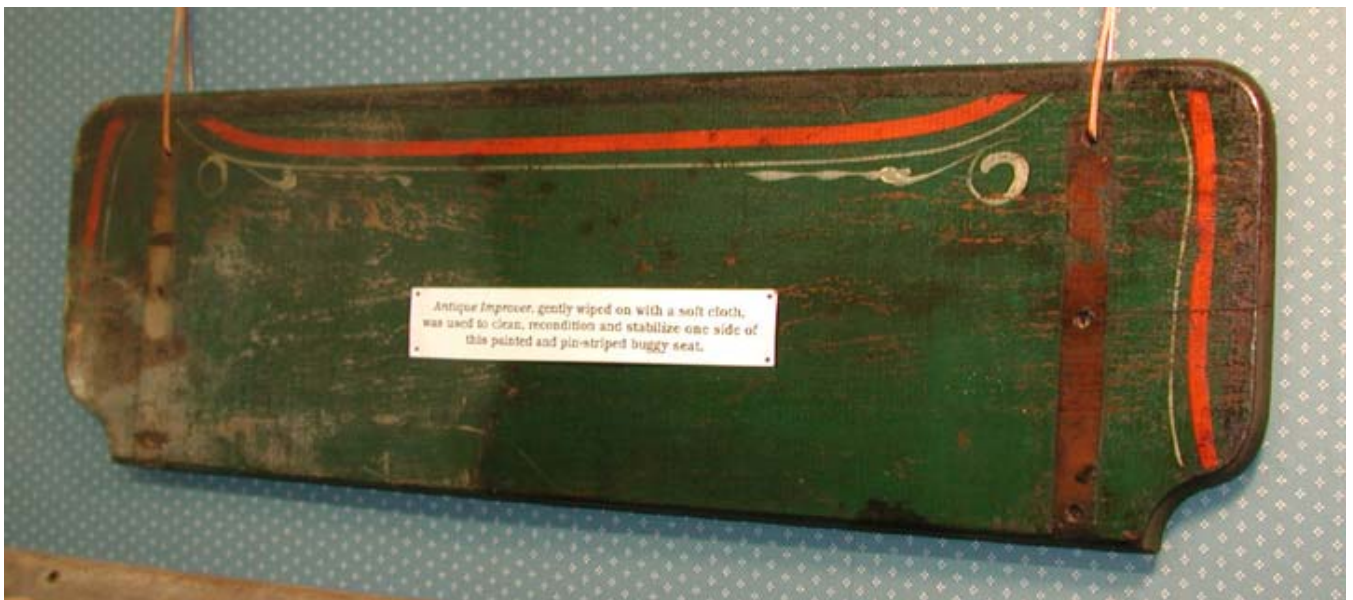

**Antique Improver puts life and color back into the wood, and...**

**reconditions paint and other finishes.**

Antique Improver, gently wiped on with a soft cloth, was used to clean, recondition and stabilize one side of this painted and pin-striped buggy seat.

# Also...

***Antique Improver* can be used as the only finish on new wood,**

**The *Improver* brings up color and grain of the wood — no need to hide the wood's natural beauty under a 'stain' !**

# Or...stripped wood.

**Helps lay the grain and the surface develops a soft, natural patina that gets even better over time.**

*This chair was bleached almost white from the stripping. The amazing color literally “popped out” when Antique Improver was applied.*

# ***Great for tools, guns, and much more!***

**Restores natural beauty to the wood of old tools.**

**Cleans rusty iron — stops rust from reoccurring.**

**Restores luster of dirty and deteriorated painted surfaces.**

**Cleans,  
brightens  
and  
restores  
the paint  
of old tins and toys.**

**IMPROVES  
APPEARANCE  
WHILE  
PRESERVING  
NATURAL  
EVIDENCE  
OF AGE.**

# **Kramer's Other Products...**

*Antique Improver* is the one you will use most, however, we offer two other *Kramer's Best* products for more specialized uses.

These products are not necessary for every application, but for special cases, one of these may be just what you need.

## ***Kramer's Best*** **WOOD FOOD OYL** **FOR USE ON FOOD-SERVICE ITEMS**

*Kramer's Best Wood Food Oyl* is for use on any wood that will be in direct contact with food.

It restores and protects your butcher blocks, salad bowls, cutting boards, from the dryness of repeated use and washing.

Contains only the safest, natural ingredients — absolutely no mineral oil or other petrochemicals.

# *Kramer's Best* **BLEMISH CLARIFIER**

**A POWERFUL NATURAL PRE-CLEANER  
THAT CLEANS BEYOND WHAT THE  
*ANTIQUE IMPROVER* CAN DO.**

**For use on deep stains, grease, oil, wax build-up  
or heavily damaged finishes. Great for cleaning  
rust and heavy encrustations from old tools and  
other metals. For most applications follow-up  
with *Antique Improver* is recommended.**

**Each of these items was first cleaned with *Blemish Clarifier*,  
followed by wipes of *Antique Improver*.**
